
THE LANGUAGE OF DECEPTION

From the Serpent in Eden to the New World Order

Unmasking the Father of Lies

"Faithful in Little, Authority in Much" — Luke 16:10

Spiritual Author: ELOHIM – The Most High | Earthly Author: Juan Carlos Farías Salazar

PROLOGUE: The Time of Unmasking

Humanity finds itself in its most vulnerable and, paradoxically, its most crucial moment in history. Never before has so much information been at our fingertips, and never before has there been so much confusion in the minds of the people. The deafening noise of global distractions has obscured a fundamental heartbeat: the one that connects us as one family under the gaze of the Creator.

The battle between Truth and the Lie has reached its historical climax. This book is not merely a text of denunciation; it is a roadmap for collective awakening. It is the instrument to unmask the father of lies and restore man's stewardship over creation, under the principles of Life, Liberty, and Property.

PART I: THE ORIGIN OF THE LIE

Chapter 1: The Power of the Word – Genesis and Apocalypse of the Tongue

The apostle James, in his epistle, left us a warning that resonates strongly in our days: the tongue is a world of evil, a fire that can set all of existence ablaze. With it we bless our Father, and with it we curse men, who are made in His likeness. This small, seemingly insignificant organ is the microcosm where the most intense spiritual battle is waged.

From the beginning of time, the word has been the vehicle of creation. God said, "Let there be light," and there was light. His word is order, life, and purpose. In contrast, the tongue of deception speaks a corrupting word that introduces chaos, doubt, and death.

> *"Life is a gift from God. Why do we waste it? We depend too much on material things, but will we take any of that with us to the grave?" — JCFS*

We have forgotten that our words have the power to build or destroy. Constant criticism, gossip, and lies have led us to normalize chaos. Recovering dominion over the tongue is the first step to recovering dominion over our destiny.

> "Megnaáreg, isorag kamaya."

Suggested Ancient Script: כָּמָיָא יִסוֹרָג, מָגְנָעָרֶג

Transliteration: *Megnā‘ āreg, yissorag kāmāyā*

Interpretation: *"Discipline me, Lord, in the midst of those who rise against me."*

Reinforcement Prayer: Lord, my tongue has been a source of blessing and cursing. Discipline me. May Your truth govern every word that comes from my mouth. Let there be no deceit in my speech. Amen.

Chapter 2: Lucifer – Anatomy of a Deceiver

To understand the control system that oppresses the world today, we must go back to the origin of the rebellion. Lucifer, whose name means "light-bearer," was created as a being of perfection and beauty. However, a deadly seed germinated in his heart: pride. He was not content with his position and longed to be like the Most High.

His fall was not an accident, but a conscious choice. By declaring "I will not serve," he transformed into Satan (the adversary) and the Devil (the slanderer). His essence is falsehood; his only legitimate power resides in his deceitful tongue. He cannot create, only corrupt. He cannot give life, only destroy it.

> *"We believe in God, but are we keeping His ordinances?" — JCFS*

Many world leaders, seduced by the same ambition that corrupted Lucifer, have accepted his favor. But the devil gives nothing for free. He demands blood, souls, and the perversion of the innocent as payment. His resume is clear: tempter, liar, sower of division.

□ Spiritual Seal of Chapter 2 □

> "Isa kema, isa kema, isa kema lenái."

Suggested Ancient Script: לְנָעִי כָּמָה יֵשׁ, כָּמָה יֵשׁ, כָּמָה יֵשׁ

Transliteration: *Yēsh kāmāh, yēsh kāmāh, yēsh kāmāh lenā‘ ī*

Interpretation: *"There is an enemy, there is an enemy, there is an enemy against my gentleness."*

Reinforcement Prayer: Father, I recognize that the deceiver exists and operates. But I also recognize that in my weakness (my gentleness), Your power is perfected. I do not fear the accuser, because You are my Defender. Amen.

Chapter 3: The First Deception – Eden as a Testing Ground

The Garden of Eden was the setting for the first great deception. The serpent, cunning and shrewd, did not attack Adam directly but manipulated Eve through three questions that dismantled her trust in God:

1. Calling the Word into doubt: "Did God really say you must not eat from any tree in the garden?"

2. Denying the consequences: "You will not surely die."

3. Accusing God of ill intent: "For God knows that when you eat from it, your eyes will be opened, and you will be like God, knowing good and evil."

The result was catastrophic: the divine order was inverted. Humanity exchanged trust in the Creator for human autonomy. The first division was born: between God and man, between man and woman, and between man and creation.

> *"Living and coexisting are two different things. Living is individual, and coexisting is collective." — JCFS*

Transliteration: *Innā shěma, innā shěma yěqītā. Yāh sōkēa mēy shālay*

Interpretation: *"I beseech you, hear; I beseech you, hear and awaken. Oh Yah, Intercessor, waters of my peace."*

Reinforcement Prayer: Lord, just as the serpent sowed doubt in Eden, today the world sows confusion in my mind. Awaken my spirit. Be my peace in the midst of the storm of deceit. Amen.

PART II: THE HISTORICAL PATTERN OF DECEPTION

Chapter 4: The Corruption Curriculum – From Cain to Globalization

The history of humanity is, unfortunately, the history of a repeated deception. Lucifer's strategy has not changed; it has only become more sophisticated.

Cain and Abel: After the expulsion from Eden, Lucifer sowed jealousy in Cain's heart. The first violent death was not an accident; it was the result of a mind given over to pride.

The Tower of Babel: Here we find the prototype of the "New World Order." Humanity, united under one language and one purpose without God, decided to build a tower that would reach heaven. It was an act of collective rebellion.

Egypt and Babylon: These powers became the models of oppressive systems. Pharaoh enslaved an entire people. Nebuchadnezzar erected a golden statue and demanded worship.

> *"It is necessary to know history, but to learn the good from it, and discard the bad from it." — JCFS*

Suggested Ancient Script: שְׁמָיָא עִלָּיָא קִיטָא

Transliteration: *Qīṭ ā ʿ Illāyā shĕmāyā*

Interpretation: *"Awaken, Most High of the heavens."*

Reinforcement Prayer: Most High, history repeats itself because men do not learn. Awaken, You. Intervene in the systems of power that rise against Your people. Amen.

Chapter 5: Methodology of Evil – The 6 Eternal Tools

Lucifer invents nothing new; he recycles his tactics. His six tools are the pillars upon which global control systems are built.

1. Fame and Glory.
2. Power and Dominion.
3. Money and Greed.
4. Strife and Chaos.
5. Lawsuits and Legalism.
6. Division and Fragmentation.

> *"Unjust or absurd laws reveal the immaturity of those who create them, as they lack wisdom in their decision-making." — JCFS*

Interpretation: *"Leap over my enemies, leap over my enemies."*

Reinforcement Prayer: Lord of hosts, the enemy's tools surround me. Leap over every stronghold of lies. Give me the victory. Amen.

Chapter 6: The Historical Puppets – From Pharaohs to Modern Tyrants

Behind every corrupt system, there are men and women who have decided to sell their soul for a bowl of stew. They are the puppets, the "children of the Devil," those who do the works of their spiritual father.

We see their profile in the pharaohs, in Nebuchadnezzar, in Herod. In modernity, this profile is embodied in the totalitarian leaders of all political stripes. Today, those puppets sit on the boards of the United Nations, the WHO, and at the helm of major corporations.

> *"The rich store up wealth in vain, for they use it for nothing just." — JCFS*

The apostle Paul, in Romans 1, described with surgical precision the degradation process of a society that rejects God.

1. Suppression of Truth.
2. Idolatry.
3. Passion for Lies.
4. Given Over to Shameful Passions.
5. Reprobate Mind.

Interpretation: *"Upon me, burning bush; upon me, burning bush of waters."*

Reinforcement Prayer: Holy Spirit, burning bush that is not consumed, when the world wants to change me into its image, transform me into Yours. Amen.

Chapter 8: The 2030 Agenda – Human Utopia or Luciferian Plan?

The UN's 2030 Agenda, presented as a plan for sustainability and equality, hides a radical social engineering design that attacks the natural and divine order.

> *"Denying God is denying our own existence. Just as Artificial Intelligence cannot deny its creator, neither can the human being deny his Creator." — JCFS*

Reinforcement Prayer: Lord, the world offers me its "agenda," its "future" without You. But I declare: that is not my portion. My portion are You. Amen.

Chapter 9: The Instruments of the New Order

Global elites have perfected a series of instruments to shape reality and maintain their control.

- The Media.
- Hollywood and the Entertainment Industry.

Reinforcement Prayer: *Shekinah, glory who dwells among the cherubim, the world's media and pharmacies want to rob me of Your presence. But I choose to dwell in Your Tabernacle. Amen.*

PART IV: THE DIVINE ALTERNATIVE – THEO-STEWARDSHIP

Chapter 10: The Foundations of a New System

Faced with the collapse of the global system controlled by Lucifer's puppets, Theo-Stewardship emerges: a revolutionary governance system where power is a burden of service, not a privilege of dominion.

Absolute presidentialism is abolished. The Executive Power shall be exercised by the Council of the Seven Ministerial Servants, who shall serve terms of 4 years without re-election.

Chapter 12: Citizen Controls – Oversight and Ethics

To prevent this system from becoming corrupt, direct citizen control bodies are established: The Supreme Council of the 12 Elders, The 70 Watchmen of the Most High, and the Septennial Jubilee.

> *"A wise leader unifies his people. And does not divide them with philosophies and hollow subtleties." — JCFS*

PART V: THE FINAL BATTLE AND THE CALL TO AWAKENING

Despite the power the dark elites seem to have, their destiny is sealed. Prophecy is clear: the lawless one will be destroyed by the spirit of the Lord's mouth.

Chapter 14: The Call to Brave Youth – The Apersive Generation

Today, God is rising up a generation of young people who are not for sale, do not remain silent, and do not give up. They are the "Apersive," those who have

understood that change will not come from old, corrupt politicians, but from a new mentality.

CONCLUSION: FINAL CHOICE

The stage is set. The battle between Truth and the Lie is evident to anyone willing to open their eyes. There is no middle ground. Either we serve the control system of the lie, or we embrace the liberty of the children of God.

The Spiritual Seals included in this edition were received by the author in prayer in the Spirit during months of ministry. Each word in tongues has been preserved, transcribed, and discerned according to 1 Corinthians 14. They are not literary additions, but the manifestation of the same Spirit that guided the writing of the book. They are integrated as a prophetic seal to empower spiritual warfare and the edification of the reader.

Prayer for the Reader: *Lord of the dawn, as the author received these words upon waking, may every reader who opens this book receive the same freshness of Your Spirit. Melt every heavy burden.
